DX-pedition Callsign: ☒ J8OWW ☐ J8/W2EN ☐ J8/NO2R ☐ J8/WA2VUY

Equipment: Xcvrs (TS870 & IC756-PRO), Amps (Ten Tec & Ameritron)

Antennas: Mosley 2 el tri-bander, dipoles for 160,80,40, "Hy-power"
dipoles for WARC and 10/15/20 by KU3X

Results: In spite of our considerable overweight baggage, the trip was a very gratifying adventure which yielded over 15,000 QSO's on all bands (CW/SSB) including a 12M point score in the CQWW SSB contest. Many thanks for all your QSL cards, kind comments, and cooperation.
